

Section 1: Identification

Product Name: Plan "B" Organics Soluble Seaweed 0-0-17
Manufacturer: Plan "B" Organics
Common Name(s): Kelp
Physical Address: 50 P.H 10
Product Code: N/A
Castle Rock, WA, 98611
CAS #: N/A
Mailing Address: 1322 E McAndrews Road, Suite 201
Recommended Use: Fertilizer (natural)
Medford, OR 97504
Restrictions : N/A
Telephone Number: 360 751 4897
Emergency #: 911

Section 2: Hazard Identification

No direct hazardous components are known.

Section 3: Composition/Information on Ingredients

Ingredients: Extract from North Atlantic Kelp
Hazardous Component: None
CAS #: N/A
NIOSH Registry #: Not Registered

Section 4: First -Aid Measures

Inhalation: Non-toxic. Do not intentionally breathe vapors
Skin Irritation: Non-hazardous material. If irritation or discomfort occurs, seek medical advice from a Physician.
Eye: Non-irritating to ocular tissue. Immediately flush eyes with plenty of water. Keep eyes wide open while flush. Seek medical attention if irritation occurs.
Ingestion: Non-toxic if ingested. Drink plenty of water or milk. Seek medical attention if discomfort occurs.
Allergen: This product may cause an allergic reaction. If an allergic reaction occurs, seek medical attention immediately.

Section 5: Fire -Fighting Measures

Suitable Extinguishing Media: Water, regular foam, carbon dioxide, dry chemical
 Unsuitable Extinguishing Media: None
 Flash Point: N/A
 Specific Fire -Related Hazards: None
 Special Fire -Fighting Procedures: None
 Unusual Fire/Explosion Hazards: None

Section 6: Accidental Release Measures

Personal Precautions: Glove and eye protection should be worn when handling due to temporary staining.
 Environmental Precautions: None
 Methods for Handling Spills: In case of spill: If uncontaminated, collect for reuse or disposal. Use a clean up system which does not create dust. If contaminated or not required for reuse, dispose in approved landfill in accordance with local regulations.

Section 7: Handling and Storage

Safe Handling: Avoid handling which may cause staining. Store in dry, cool place and out of direct sunlight. No specific ventilation requirements. Eyewash facilities should be available. Do not contaminate water, food or feed for disposal.
 Storage:

Section 8: Exposure Control/Personal Protection

Exposure Limit: There are no exposure limits defined for this product.

Recommended PPE and Handling Practices

Respiratory: None required.

Skin Protection: Nitrile gloves

Eye Protection: Safety glasses

Hygiene: Wash hands thoroughly with soap and water

Ventilation: Ensure workspace is well-ventilated

Safety Glasses

Gloves

Preparation Date: 1/12/2017

Revision Date: 4/1/2020

Format: GHS Language: English (US)
 OSHA, HCS 2015

Section 9: Physical and Chemical Properties

Appearance:	Black powder	Melting Point:	Unknown
Flammability Limit s:	Unknown	Freezing Point:	Unknown
Odor:	Marine like	Solubility in Water:	Unknown
Odor Threshold:	Unknown	Initial Boiling Point:	Unknown
Vapor Pressure:	Unknown	Boiling Range:	Unknown
Vapor Density:	Unknown	Flash Point:	Unknown
pH:	10-10.5	Evaporation Rate:	N/A
Relative Density:	Unknown	Flammability:	Not flammable
		Viscosity:	Unknown

Section 10: Stability and Reactivity

Reactivity:	No specific test data is currently available
Chemical Stability:	Product is stable under normal temperatures and conditions
Conditions to Avoid:	Extreme temperatures and freezing
Required Stabilizers:	None
Incompatibility:	None currently known
Hazardous Decomposition:	None currently known
Hazardous Polymerization:	Will not occur
Hazardous Reactions:	None currently known

Section 11: Toxicological Information

Primary Routes of Exposure:	Inhalation, skin contact, and eye contact
Symptoms of Exposure:	Non- toxic orally. Ingestion of small amounts may cause nausea and And discomfort. Non-irritating to the ocular tissue of non-irrigated eyes. Non-toxic dermally. No treatment related effects were observed. No irritation or corrosive effects were observed. Not hazardous by inhalation. Very slight erythema observed with no other signs of irritation. irritation. No studies currently known describing effects of delayed, immediate, or chronic effects from short- and long-term exposure.
LD50:	Currently unknown
Carcinogenicity:	Currently unknown
Medical Conditions Aggravated by Exposure:	Allergic reaction may occur

Section 12: Ecological Information

Ecology:	Extract made from North Atlantic Kelp There are no known ecological effects
Ecological Effects:	Currently unknown
Toxicity Testing:	Currently unknown
Bioaccumulation Potential:	

Section 13: Disposal Considerations

Disposal Containers:	There are no known restrictions on disposal containers
Disposal Methods:	Recommended disposal is use as a fertilizer in a compost pile, garden, or other plant-based ecosystem. Alternatively, product may be disposed of in a landfill in accordance with local, state, and federal regulations.
Disposal Restrictions:	Do not dispose through sewage systems. Do not burn as a method of disposal.

Section 14: Transport Information

UN Number:	None assigned
UN Proper Shipping Name:	None assigned
Transport Hazard Class:	Non-hazardous
Environmental Hazards:	None known
Guidance on Bulk Transport:	Use best known practices when shipping in bulk
Special Precautions:	None known

Section 15: Regulatory Information

There are currently no known regulations of this product.

Section 16: Other Information

The information provided in this Safety Data Sheet is correct to the best of our knowledge at the date of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal, and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
